Dear Sirs:

RESPONSE TO OFFICE ACTION MAILED JUNE 3, 1999

In response to the Office Action mailed June 3, 1999, Applicants request amendment of the application as follows.

In the drawings:

The drawings are amended as noted in the attached Letter to Official Draftsperson.

REMARKS

Claims 34-37 are pending in the application. The drawings are objected to as having boxes which need descriptive labels. In response, the proposed drawing changes are submitted with the Letter to Official Draftsperson. Claims 34-37 are rejected under the judicially created doctrine of double patenting over U.S. Patent No. 5,834,922. In response, a terminal disclaimer is herewith submitted. Therefore, applicant request withdrawal of the rejection and allowance of all pending claims.
